

No. C&S/ST/IT/1/2010

Dated Dispur the 4<sup>th</sup> May 2010

To,  
The Deputy Commissioner (All)

Sub : Delivery of G2C services through Arunoday Common Services Centers.

Sir,  
As you aware that Government of Assam vide its Notification No. IT.89/2006/414, dtd. 4<sup>th</sup> August, 2009 has decided to deliver Fifteen (15) nos. of G2C Services (Annexure I) through the Arunoday Common Services Centers (CSC) presently being set up in the State under National e-Governance Plan (NeGP) of Govt. of India.

As per clause no. 5(i) of the said notification (Annexure II), the VLE (i.e. CSC operator) is eligible for Stamp Vendor license on submission of application to the Deputy Commissioner's Office. However, it is reported to this Office that except Kamrup (Rural) other District administrations are yet to issue Stamp Vendor license to the VLEs and the time gap between submissions of application to issue of license is quite long which needs your urgent attention.

I also like to draw your special attention to the fact that adequate training of the VLEs and all district level officials directly or indirectly associated with the service delivery must be ensured and services must be started within 30 days of time from conducting the training. In order to facilitate the district administration, the respective Service Centre Agencies (M/s SREI & M/s. ZOOM) of the CSC scheme who is in charge of implementation of the scheme in your district has been instructed to provide minimum of one PC and Printer along with an operator at the public facilitation center in the DC office premises.

You are requested to ensure delivery of the services through CSC as per the said notification. I will appreciate your feedback at an early date.

Thanking you,

Yours faithfully,

Commissioner & Secretary to the Govt. of Assam,  
Information Technology Department  
Dated 4<sup>th</sup> May 2010

Memo No. C&S/ST/IT/1/2010
